Dear Business Owner or Manager:

Helping Hand is a Non-Profit Public Charity, 501(c)(3) that has been established to help current and retired CDOT workers that are in need of help. We also help families of CDOT employees that were killed in the line of duty. There are times in our lives when we all need help and that is the reason this charity was established. Helping Hand also offers three \$1000 scholarships annually that will be awarded, in June, to children of current CDOT employees. Helping Hand relies on private donations and receives no money from the state or federal government.

We are writing to give you the opportunity to sponsor a hole at our Helping Hand Golf Tournament; scheduled on June 1, 2019. With a sponsorship of \$100, you will have a sign at the hole stating that you sponsored the hole. In addition, we will place your logo on our website with a link to yours (if you have one). Checks should be made out to Helping Hand.

We hope you will consider this worthy cause and donate to help make a difference. On behalf of Helping Hand, we thank you in advance for your generous donation.

Please feel free to contact me if you have any questions. E-mail me at [uprightn@comcast.net](mailto:uprightn@comcast.net) or call (970) 222-8667. We look forward to your participation.

Sincerely,

Nicola Upright
